QUAID'S MESSAGE TO STUDENTS

"You must devote yourself wholeheartedly to your studies, for that is your first obligation to yourself, your parents and to the state. You must learn to obey, for only then you can learn to command."

**Address at:
Islamia College Peshawar
12th April, 1948**

ALLAMA IQBAL'S MESSAGE

یہی آئینِ قدرت ہے یہی اسلوبِ فطرت ہے
جو ہے راہِ عمل میں گامزن، محبوبِ فطرت ہے
دکھا وہ حُسنِ عالم سوزِ اپنی چشمِ پرُغم کو
جو تڑپاتا ہے پروانے کو رلاتا ہے شبنم کو
محبت کے شرر سے دل سراپا نور ہوتا ہے
ذرا سے بچ سے پیدا ریاضِ طور ہوتا ہے
شرابِ روح پرور ہے محبتِ نوعِ انساں کی
سکھایا اس نے مجھ کو مست، بے جام و سُبُو رہنا
محبت ہی سے پائی ہے شفا بیمار قوموں نے
کیا ہے اپنے بختِ خفتہ کو بیدار قوموں نے
اقبال

MESSAGE FROM THE PRINCIPAL

President, Project Management Board (Wah Medical College)

Wah Medical College, by the grace of Almighty Allah, has started Institute of Allied Health Sciences, Wah Medical College in Wah Cantt. Wah is known for its high quality education in various fields.

Medical Technology profession has evolved dramatically since its inception. The diverse role of Technicians in the modern world demands that they must be fully conversant with clinical competencies expertise along with management skills. Continuous professional development (CPD) is the need of the hour. It is, therefore, imperative that such innovations are regularly learnt, reviewed and updated. Technicians need to ensure commitment for humane and thoughtful application of resources to achieve quality patient care.

There is a grave national level deficiency of qualified technicians. Medical Technology profession of Pakistan has gradually evolved and developed in to a dynamic source of Technicians practices by adopting latest advances with available resources. There is no doubt that Technicians play a pivotal role in delivering healthcare. They are advocates for health promotion. Technicians have always been at the forefront of change in healthcare.

The missionary spirit and the nobility of our profession are the guiding principles for all of us and we should never forget these. I wish all the students of Institute of Allied Health Sciences, Wah Medical College every success in their professional and personal life.

We feel happy to convey that very soon the Institute will launch a B.Sc. (Hon) Program in different technologies as well.

Maj Gen
Prof. Abdul Khaliq Naveed (Retd), Hi (M)
MBBS, M.Phil, FCPS, FNAMS, CHPE, PhD
Principal Wah Medical College

MESSAGE FROM THE DIRECTOR IoN,WMC

Health profession is not only a profession but a dedication of commitment and zealous approach for solving the problems of humanity regarding primary, secondary and tertiary health care.

I am honored and feel very privileged to be the Director of Institute of Nursing, Wah Medical College. I have always been excited and look forward to working with our health professionals to-be, which is a dire need of Pakistan. My commitment to our country is to lead the Institute with enthusiasm and passion to enable us to reach our goals / mission / vision. I have an open-door policy and urge all concerned to take this opportunity to discuss any issue with me so that we can move forward together.

We truly have a fantastic, compatible, comprehensive and mission-oriented Institute of Nursing with a support of POF welfare Trust and Wah Medical College's professional community, excellent infrastructure and dedicated administrative staff to work with.

May Allah keep all of us and our well-wishers under the umbrella of His blessings, safety and prosperity.

Best of Luck with your future assignments.

Brig. Dr. Ghulam Mustafa (Retd)
MBBS, MPH, MSC (Hospital Administrations,
Dip Disaster Mgt (USA) Health Security (Germany)
MSPCW (OPCW-Holland)

MESSAGE FROM THE PRINCIPAL IoN,WMC

Dear prospective students,

I am delighted to extend a warm welcome to you on behalf of Institute of nursing, WMC. It is with great pleasure that I introduce you to our esteemed institution, a hub of excellence in nursing education. At Institute of Nursing, WMC, we are committed to nurturing compassionate, skilled, and knowledgeable nursing professionals who will make a significant impact in the healthcare industry.

Our institute has a proud legacy of producing outstanding nurses who have gone on to excel in various healthcare settings around the world. We are dedicated to providing a comprehensive education that blends theoretical knowledge with practical experience. Our experienced faculty members are not only experts in their respective fields but are also deeply invested in the growth and success of each student.

I encourage you to explore our program, learn about the success stories of our alumni, and envision your own journey as part of the Institute of Nursing, WMC family. Your aspiration is important to us, and we are here to support you at every step of the admission process.

Wishing you all the best in your academic pursuits and future endeavors

Warm regards,

Ms. Anum Fatima
BSN, MSN, , MHPE(Pak), PhD Nursing(Thailand)

VISION

The institute of Nursing, Wah Medical College is a learning community that is committed to provide excellence in teaching, research and health care services that enhances the well being of people of Pakistan at large and society in general.

MISSION

To produce competent professional nursing graduates, equipped with sound knowledge based on scientific principles, imbued with ethics and moral values primed to serve the community through the profession and pursue advanced training in nursing.

OUR STRENGTHS

- Registered with Pakistan Nursing Council (PNC).
- Affiliated with University of Health Sciences (UHS), Lahore.
- Owned by Pakistan Ordinance Factories (POF), Welfare Trust.
- Highly secured and well disciplined environment.
- Qualified nursing faculty.
- Lowest fee structure among all private nursing institutes.
- Exceptional students' performance in annual examination of UHS.
- NEST Scholarship available
- Tertiary care teaching hospital (POF Hospital) recognized by PMC.
- Career opportunities in POF Hospital (full time job and mentorship).
- Internship opportunity for Generic BSN students
- Fee concession for ward of POF employee.

WHAT IS NURSING?

Nursing is a science and art which is guided by research and governed by code of ethics. Nursing integrates concepts from bio-psychosocial sciences and spiritualism to provide essential services to people. The pursuit of knowledge and tradition of rendering care foster the blending of traditional values with modern technology and functional requirements.

BScN Graduate Nurses have plenty of opportunities to seek higher education like Master of Science in Nursing, Health Sciences, Social Sciences, Doctorate, Post-Doctorate, and specializations in many other disciplines.

INSTITUTE OF NURSING, WMC-THE RIGHT CHOICE

Institute of Nursing, Wah Medical College is easily accessible, being on the Mall Road of Wah Cantt and adjacent to the main entrance while approaching from Islamabad. A purpose built campus for Institute of Nursing, Wah Medical College is available which accommodates all the Basic and Pre-Clinical Sciences departments and the Administration Block. Spacious lecture halls, innovative laboratories and awe-inspiring museums have been established to impart the best possible nursing training. The girls and boys hostels are at a walking distance from the academic block & the teaching hospital.

INSTITUTE OF NURSING, WAH MEDICAL COLLEGE

The Institute of Nursing WMC is an initiative to produce quality nurses and to improve the current deficiencies in the health care system of the country. This institute was initially started in 1975 with the aim to provide three years General Nursing Diploma Program. In order to address the new trends and requirements of health promotion and quality education, it is indispensable to instill the students with the latest knowledge and skills. Therefore, the institute has started two degree level programs with the approval of Pakistan Nursing Council and University of Health Sciences, Lahore as under:

- Post RN BS Nursing (2 Years Degree Program)
- Generic BS Nursing (4 Years Degree Program)
- Midwifery (1 Year Diploma Program)

FUTURE PLAN

Gradually, the Institute will expand its horizon to cater various educational programs in nursing division, i.e. different specialities and MSN.

ATTACHED HOSPITALS WITH INSTITUTION

Brig Shoaib Azam Malik,
Medical Superintendent /
Commandant, POF Hospital

The teaching hospitals of Institute of Nursing, Wah Medical College are POF Hospital and Izzat Ali Shah Hospital. POF Hospital is a 645 bedded hospital with all allied facilities. It was established in 1962. It has gone through a continuous process of up-gradation and has become one of the leading hospitals in the country, category “A”, delivering primary and tertiary medical facilities to the POF employees, their families and the population from the surrounding area. POF Hospital is recognized by the College of Physicians and Surgeons Pakistan (CPSP) & Pakistan Medical Commission (PMC). Izzat Ali Shah Hospital is a 120 bedded hospital which also provides clinical teaching facilities to the students of Institute of Nursing .

DEPARTMENTS OF POF HOSPITAL

- Department of Medicine
- Specialized Units like CCU, Cardiology, ICU, Nephrology, Dialysis Unit
- Department of Psychiatry
- Department of Paediatrics
- Department of Surgery
- Department of Neuro-Surgery
- Burn Center
- Department of Urology
- Rehabilitation Center
- Department of Radiology
- Department of Obstetrics & Gynecology
- Department of Pathology

TEACHING AND LEARNING STRATEGIES

The faculty members at Institute of Nursing, Wah Medical College implement various available modes of teaching and learning to maximize the outcomes of potential nurses. Some of the methods being utilized are:

- Interactive Lectures
- Tutorials / PBLs / TBLs / PAL
- Clinical Conferences
- CBDs, Role Play
- Concept Mapping, Students Presentations
- Skills Demonstration / Re-Demonstrations
- Objective Structured Clinical Examination (OSCE)
- Integrated Performance Exams (IPEs)
- Field Trips
- Students Projects
- Small Group Discussion (SGD) / Large Group Discussion (LGD) / Presentations
- Health Education / Teaching

ASSESSMENT AND EXAMINATION

Internal Assessment:

The continuous internal assessment shall contribute 10% to the total allocated marks for each subject in a professional examination. Awards of internal assessment will be equally distributed to the final theory and oral / practical examinations' score of a candidate and not to an individual component like MCQs, SEQs paper or Oral / Practical / Clinical Examination.

Eligibility of students to appear in University Exams:

1. The professional examination shall be open to any student who is certified by the Principal Institute of Nursing, Wah Medical College for bearing:
 - a. Good character.
 - b. Having attended not less than 85% of the full course of lectures delivered and practical/tutorial conducted in each subject.
 - c. Having cleared all the outstanding dues.

2. However, the students falling short of his / her percentage in attendance may be permitted to appear in the examination if they complete their deficiency through special makeup classes / clinical sessions conducted up to the commencement of the next examination while remaining on the college rolls.

3. A candidate who fails in one or more subjects in a professional examination of University of Health Sciences, Lahore, shall, if he / she so desires, provisionally be allowed to join the next higher class till the commencement of supplementary examination. The candidate, however, will have to pass the failed subjects in the supplementary examinations failing which he / she will be detained in that class. Under no circumstances, a candidate will be promoted to next higher class till he / she passes the professional examination of preceding class.

University of Health Sciences, Lahore

ON-CAMPUS FACILITIES

Classroom & Laboratories

All the class rooms are equipped with multimedia and white board. The Institute provides necessary comfort to make the environment conducive to learning. In addition to the classrooms, there are different, separate and shared lab facilities available, which are:

- Bio-Chemistry Laboratory
- Microbiology Laboratory
- Dissection Hall
- Anatomy Museum
- Skill Laboratory
- Demonstration Room
- Computer Laboratory
- English Language Lab
- Library

Library

For the purpose of self study, the institute houses a spacious and well-stocked library where text and reference books have been placed for the use of faculty and students. The main library has the facility of internet, online journals and sufficient number of CDS and audio visual material on the topics of clinical and basic health sciences.

English Language Lab

English language lab is equipped with the Audio-Visual Aids (AVAs), which focuses on different aspects of English language enhancement. The learners utilize a number of resources during their college hours to improve their English.

INFORMATION TECHNOLOGY

For all computer related work, students are utilizing computer lab located in Institute of Nursing and main library of Wah Medical College, Wah Cantt.

CLINICAL BASED FACILITIES

For the clinical practice, Nursing students are utilizing different facilities of the hospitals.

These hospitals provide an exposure to a number of clinical disciplines related to all areas of Medical and Surgical Nursing, Mental Health Nursing, Leadership and Management, Paediatrics and Obstetrics & Gynecology. The primary clinical site remains POF Hospital, however, for certain specialized training such as Psychiatry, care for the terminally ill patients, etc., students achieve their clinical teaching in other hospital settings.

STUDENT AFFAIRS

Student affairs office is the main resource for students' contact from the time before admission (through admission office) till their graduation and as alumni of the Institute. This office is students' advisor, record keeper and information source. Student affairs office manages:

- Admissions related procedures & processes.
- Liaison with Pakistan Nursing Council (PNC) and University's Registrar Office.
- Keeps students' record updated.
- Organizes graduation ceremony.
- Formal letters regarding different matters relevant to students, are mailed to parents / guardians regularly. Students and parents are requested to keep their mailing addresses, contact numbers, and email addresses updated with the Student Affairs Office at all times.

HEALTH CARE SERVICES (FACULTY, STAFF & STUDENTS)

Medical care facilities are provided to faculty, staff and students under arrangements of IoN, WMC. The outdoor treatment is free of cost and the finances for indoor treatment are being sponsored by Wah Medical College.

HOSTEL / TRANSPORT / CAFETERIA

Institute of Nursing, Wah Medical College has separate Girls and Boys Hostels (subject to availability of rooms) with hygienic living and catering services. The Girls Hostel is supervised by a lady warden. There are round the clock security arrangements. The Institute has an excellent fleet of vehicles for pick-and-drop of students & faculty members from the twin cities of Rawalpindi and Islamabad. There is a beautiful Masjid in the premises of the Wah Medical College. The premises have cafeterias and several tuck shops where students and faculty can get food items.

EXTRA CURRICULAR ACTIVITIES

Institute of Nursing has different recreational facilities such as tennis, cricket ground, walking / jogging tracks etc. Female students are provided with equal opportunities in games like table tennis and badminton. Institute of Nursing arranges picnics and recreational trips for all students as per academic year plan.

- Sports Week
- Cultural Day Celebration
